Dear Group Organiser

Thank you for your enquiry about holding a camp here at Woodlands.

The award winning facilities make camping as painless as possible for the Leaders, including hot showers, washing up sinks and laundry. The price is just £9.90 per person per night for bone fide children's organisations (such as Scouts, Guides), where the leaders supervise the young people. This needs to be for at least 15 people and be for a minimum of two nights. Each electric hook-up required would be £3.50 per night.

We are amongst the top rated UK Camping & Touring Parks, as reflected in our membership of the superior Best of British Quality Touring and Holiday Parks and Premier Parks 2017. We have also been awarded the impressive AA Quality Standard Rating of 5 Gold Pennants and received the title AA National Campsite of the Year for England, not once but twice! For many years we have been included in the Practical Caravan Top 100 Parks Awards, being a finalist in 2014. Winning the Alan Rogers Best Family Campsite in Europe Award was another major achievement, to receive this prestigious award we beat off the competition from 11 European countries. In addition to these we have also been included in the Practical Motorhome and Practical Caravan Top 100 Sites.

The free use of the Family Theme Park for the duration of your stay and also for the whole day on the day of departure is perfect for both children and adults as the exciting rides and play equipment are designed for every age group and give days of fun.

Unfortunately we cannot accommodate groups during the peak periods of Whitsun and the school summer holidays (& possibly Easter weekend) but please phone to check availability. You will find a Play 'n' Stay Camp at Woodlands is a unique experience for adults and children alike, combining an excellent range of rides, play equipment, displays and educational amenities with the very best camping facilities in the U.K.

To book just enter your details on the enclosed booking form and return it to us with a £50 deposit and your completed Play 'n' Stay Information Form. I have enclosed our 'Play 'n' Stay Camps - How They Work' document which details all you need to know about holding your camp at Woodlands. If you have any queries do please give us a call.

Yours faithfully
